

Coverage for Damage or Loss of Artwork or Valuables

We will do our best to keep your artwork safe while it's on display at the Roundhouse. Please note the following security arrangements:

- A security guard will be present in the Exhibition Hall starting after setup on October 26, and continuing after the close of Day 1 of the show on October 27, until the building closes.
- There will be no security on-site during the early mornings of October 27 or October 28, before the Art Show opens for the day.

Responsibility for Damage or Loss

While we take precautions, posAbilities is not responsible for any loss or damage to your artwork, personal items, or collections, except in the following case:

If your artwork is damaged by a guest or volunteer during setup, display, or take-down, we will cover the cost of repair or replacement up to \$200, regardless of the artwork's value. This policy is in place to help support artists if accidental damage occurs — although such incidents are rare.

We are not able to cover theft, as we do not maintain an inventory of all artworks and items for sale.

Optional Insurance

If you would like additional protection, you may want to consider purchasing insurance for your collection. One option is Duoo, which offers vendor liability insurance for craft shows. You can get a free quote here: [Vendor Liability Insurance for Craft Shows](#).
